Notes to applicant

This application is to gain consent for minor changes which could arise from on-site problems and re-arrangement of facilities including reductions in the scope of the original consent. Proposals will not meet this criteria if they fall outside the space of the original consent or need more than minor changes to the existing conditions.

An amended plan may cover:

A beam that needs to be included due to on-site problems.

Wall construction changes.

Removal or reduction of sanitary fixtures.

Installation of an additional window.

A room that needs to be widened slightly.

Amended plans are accepted at the discretion of Council. A full consent will be required if it becomes apparent that the submitted plans do not meet the above criteria.
