

Title: Working in Hutt City Roads

Adopted by Council: 3.8.99

Committee/Date: Works & Services 20.7.99

File Reference: WS99/7/2

Generated By: Traffic Assets

Policy:

That the Specification for Working in Hutt City Roads sets Hutt City Council's requirements for people and/or organisations wishing to work within the existing road reserve. These requirements have been set by Hutt City Council's Street Services Division, the designated Road Controlling Authority for Hutt City' streets.

See Street Services Division for copies of the Specification.
