My appologies ive been called out to inspect a dangerous tree. I wont be able to speak to committee now. The point i wanted to make was to question whether a definition of tree canopy extent is required now that the root protection area extent definition has been agreed. Having a canopy extent definition is now unnecessary and possibly conflicting and confusing.
Thanks

Thanks Saritha

Can I join on line via Teams or do I need to be there in person?

Ngā mihi

Jez
